

# 1<sup>st</sup> Announcement

**5th EAFP UK & Ireland branch meeting  
20-21st November 2024 in Edinburgh**

We are delighted to announce that the 5<sup>th</sup> EAFP UK & Ireland branch meeting will be held in lovely Edinburgh on the 20-21<sup>st</sup> November 2024, hosted by Moredun Research Institute.

The event is set to take place back in Scotland, providing a splendid opportunity to connect academic and industrial professionals to enhance their understanding of fish and shellfish health.

It is scheduled for the 20<sup>th</sup> and the morning of the 21<sup>st</sup> of November 2024, with specialised sessions centred on recent advancements in aquatic animal health. Prominent keynote speakers will offer lectures on key topics and a specific session will be devoted to showcasing the work of Early Career Researchers.S

We welcome Abstracts for Oral and Poster Presentations, with abstract submission opening from the 5<sup>th</sup> of September 2024 until the 18<sup>th</sup> of October 2024.

A workshop on “The Genomics of Fish Pathogens” will be held at the Roslin Institute on the 19<sup>th</sup> of November, for Early Career Researchers, which is kindly funded by the Sustainable Aquaculture Innovation Centre (SAIC).
